Dear John:

I have just noticed a new book by Richard Wolff, published by Key Publishers, P. O. Box 991, Wheaton, Illinois, entitled The Meaning of Loneliness. I think the book is the kind of book that the readers of our Campus Evangelism Book Review Service might want to know about.

Would you be able to get a copy of this book and review it for one of our coming issues? I would like to have the review within thirty days if possible. I can appreciate the fact that you might want to review books that you have already read, but if you would have the time and the inclination, I hope you will take this special assignment. I believe you are the person to do the best job with it. It is published only in cloth and costs \$3.95. I'm sorry I do not have a review copy to send along.

Thanks for your help.

Your brother,

John Allen Chalk
